This event is a volunteer-driven not-for-profit event sponsored by MainStreet Roswell and its stakeholders. Our goal is to create a fun way to bring the neighborhood together and introduce Roswell residents to all Downtown Roswell has to offer. With great local shopping and dining, as well as a strong art and music culture, this will provide a great way for people to connect and experience their community.

We are asking merchants to stay open from 5-8 (or later if you like) every first Friday of the month. We want to create a monthly event that will grow into something great while encouraging people to shop downtown.

YES! I PLAN TO BE A PART OF THIS WONDERFUL EVENT!
